

Objective

Apply and develop my web design and technological interests while helping a business grow larger in its markets.

Experience

Affordable Creative Services, Inc., Fairfax, VA ~ August 2000 to March 2007
Senior Graphic & Web Designer, CTO

Serve as an Art Director to manage, design and execute a wide variety of print, web, and multimedia designs for national clients. In addition, my responsibilities include estimating print jobs, managing other designers, working with programmers, and working directly with clients to rapidly achieve the desired products.

Gasque Advertising, Inc., West Columbia, SC ~ August 1997 to August 2000
Graphic & Web Designer

Designed and produced advertising materials for print and the internet. These included brochures, advertisements, inserts, and other printed pieces. I worked in all aspects of website creation from planning to posting. In addition to design skills, my understanding of technology and hardware enabled the agency to discontinue use of all outside computer consulting services.

Carolina Star Marketing, Columbia, SC ~ July 1996 to July 1997
Graphic Designer & Production Coordinator

Managed production and design for a quarterly full-color direct mail publication. Gained experience with Apple Computers, high volume web press printing, and computer networking.

Education

Savannah College of Art & Design, Savannah, GA ~ 1996

Earned a Bachelor of Fine Arts in Graphic Design with a Minor in Art History. The core curriculum was designed to provide a solid understanding of art, media, and the design process. Graphic design classes taught traditional methods of design execution, as well as current computer methods. Studied typography, photography, layout, color theory, design software, corporate identity and more. Awarded the Henderson Academic Scholarship.
